

New UK Bred Pot Petunia Gives a Thundering Performance

New UK Bred Pot Petunia Gives a Thundering Performance

Petunia Ovation - Now Available

Looking for a robust, easy-to-grow Pot Petunia with abundant colour? Then our latest new innovation may be just what you are looking for...

...The **Ovation** series of Petunias will triumph in both nursery and the garden.

Bred in the UK, Ovation has been specifically developed to provide Growers with an effortless Pot Petunia for premium colour sales in 13cm pots or larger. In the Garden Centre, these plants are packed with high colour appeal and give an outstanding shelf presentation. In the garden, Ovation delivers a performance to die for with its neat, mound-forming habit in patio containers all Summer

Ovation Dark Heart - 13cm pot

long.
