

Celosia Dragon's Breath wins New Plant Award

Ball®

Best New Plant Introduction at South West Growers Show

Blazing Red Foliage and Plumes!

Voted one of the top varieties at this year's Ball Colegrave Summer Showcase, the unique green-red foliage and blazing-red, long-lasting flowers of **Dragon's Breath™ Celosia** once again proved to be the hottest plant at this years South West Growers Show, being crowned **Best New Plant Introduction**.

Growers like the fact that Dragon's Breath™ is quick, easy and economical to produce with minimal need for PGRs and fertiliser.

Retailers like it for its long shelf life and adaptability - Dragon's Breath™ is great in containers, beds and planting schemes. Dragon's Breath™ exhibits even more red foliage and flowers under adverse garden conditions like heat, humidity and infrequent watering.

- Fiery, fabulous, dramatic red foliage and plumes
- Blazing red, long lasting flowers
