

Its time to order Tuberous Begonias

Ball®

Tuberous Begonia Plugs - being sowing now!

It's time to order...

Tuberous Begonia's are the very first Summer bedding plant we sow for plug deliveries in the Spring. In fact, we start sowing in November for end February/March deliveries!

In order to ensure that your plug deliveries can be supplied at the time that you want, we highly recommend to **book your Tuberous Begonia plugs now to avoid disappointment.**

Top varieties include:

Upright types - Nonstop®, Fortune, OnTop and Majestic

Trailing types - Illumination® and SuperCascade

Trailing types (*boliviensis hybrids*) - Starshine, Funky Pink and Santa Cruz

CLICK HERE to see our full and extensive range of seed-raised and cutting-raised Begonia plugs.

To order your Begonia seed and plugs, please visit **WebTrack™**, contact your technical sales representative or customer services on **info@ballcolegrave.com**

Begonia F1 SuperCascade Mixed

Begonia F1 Nonstop Mixed

Don't forget your MasterTag[®] labels

There is a comprehensive listing of

MasterTag[®] labels covering the Ball Colegrave seed and seed-raised products, including our tuberous Begonia range.

The MasterTag range offers a most cost effective way to enhance and promote your sales of pot, pack and bedding. Ordering is quick and easy with minimum quantities of just 1,000 labels.

Call us today or [CLICK HERE](#) to view or download the **2018 MasterTag[®] Order Form**.
