

Its time to order Tuberous Begonias

Tuberous Begonia Plugs are being sowing now

It's time to order!

Tuberous Begonia's are the very first Summer bedding plant we sow for plug deliveries in the Spring. We are now currently sowing for deliveries weeks 10-12 (March).

So don't miss the boat - book your Tuberous Begonias now to avoid dissapointment

You can then rest in the confidence that your Tuberous Begonia plugs are sown, growing and programmed to be delivered on the week you need them most.

All Ball Colegrave Tuberous Begonia plugs* are supplied with a high impact, 4" (10cm) colour label to make your pots really stand out well at retail. Your labels will arrive with your plug delivery, so everything is in one place ready for potting!

* excludes the Ball 230 plug
