Cyclamen... it's time to order plugs!

In just a few weeks we begin the first sowings of Cyclamen for your May to July plug deliveries.

So, now is the best time to take stock of the extensive range of Cyclamen on pages 51-60 in our **2021 Plant Catalogue** and also visit the Spring Trials to cement your plans. We would hate you to be disappointed if all your favourites sell out.

With over 61 reliable and stimulating Cyclamen varieties in our listing; from the most compact form **Smartiz**®, through **Metis**®, **Tianis**®, **Latinia**®, **Metalis**® and to the largest with **Halios**®, not forgetting a handful of exciting novelties, there is a solution for practically every market.
