

Ball 40 Perennial liners are now ready for immediate delivery

### **A premium July/August colour pot sales opportunity**

Our Spring sown Ball 40 liners are **READY TO POT NOW** into 1.5-2 litre pots for premium colour sales in July/August as a follow-on programme after the main bedding season.

The range of over 100 specially selected varieties need no vernalisation to flower and are supplied in a **chunky jumbo 5cm plug**, making them really easy to handle and quick to 'finish'.

Stock of the Ball 40 liners is limited, so

Jumbo 5.5cm plug

please contact Customer Services on [info@ballcolegrave.com](mailto:info@ballcolegrave.com) for an immediate availability list.

## Summer Perennial Gardens

Don't forget you can see a selection of new, current and experimental Perennials in a range of pots, containers and flower beds at this year's **Summer Showcase**; 11th to 29th July 2016.

**Gaillardia Mesa Peach**
