Spring Additions 2020

Welcome to your
2020 Spring Additions
brochure!

I am delighted to present your **2020 Spring Additions** brochure.

Since the release of our 2020 Plant Catalogue, we have extended our product offering with some great new introductions which performed exceptionally well in our Trials this past season.

There were numerous outstanding varieties on display at this year's Summer Showcase, of which many were identified by the 3,500 trade and public visitors with a blue flag to highlight their favourites. Some

of these top 'flagged' varieties appear on the following pages. Please visit our website for full results of the blue flag votes.

We were also delighted to have received three plant awards at leading industry trade shows this year. **Impatiens Beacon™** received the award for the 'Best New Annual' at the HTA National Plant Show, **Petunia GlacierSky** for the 'Best New Bedding and Pot Plant Introduction' and **Lavandula Blue Spear** for the 'Best New Hardy Nursery Stock Introduction', both at Four Oaks Trade Show. Look out for these ground breaking new varieties within this brochure and the 2020 Plant Catalogue.

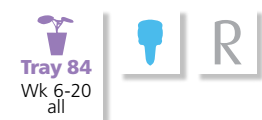

Thank you for choosing Ball Colegrave as your Plant and Seed supplier, we wish you a successful 2020 season.
