***What's New
for 2027***

Baill®

We are excited to introduce lots of **new varieties for 2027**, many of which can be found throughout the Summer Inspirations displays!

During your visit, don't forget to visit the New Plant Theatre display in the Polyhouse for some of the key highlights! Look out for all the new varieties in the 2027 Spring & Summer Plant Catalogue, 2027 Vegetable, Fruit & Herb Catalogue, and 2027 Seed Plant Catalogue due out early September. Most new perennial and shrub varieties can be found in your 2027 Perennial & Shrub Plant Catalogue, released in June.

What's New for 2027

Digitalis Arctic Fox Lemon Cream

Beautiful hybrid Digitalis that produces an abundance of flowers all season long from a first-year flowering plant. Tall stems bear delicate, light yellow flowers. A perfect thriller in large containers and borders. An ideal fit to grow alongside Digitalis Arctic Fox Rose

Heuchera Heucherette Red

Heuchera Heucherette offers the beauty of a perennial with the advantage of first-year flowering, delivering immediate colour for retail and garden impact. Compact plants produce rich flower spikes on short, sturdy stems above attractive foliage

Agastache Peach Pearl
Large-flowered form: A companion to the popular 'Pink Pearl'. Compact mound forming and easy grow perennial with dense flowers that cover the entire plant. Superb peachy-orange blooms and scented foliage. Hugely attractive to pollinators. Outstanding display in patio containers and mixed borders

Alstroemeria Inticancha® Liliana
Easy to grow, high return pot Alstroemeria! Naturally, compact perennials with strong garden performance. Elegant plants produce a rich number of large flowers in a unique lavender shade. Great ornamental value on the patio

Armeria Dreameria® Happy Dreams
Large flowers and exceptional repeat flowering performance. Globe-shaped blooms held atop sturdy upright stems over neat and compact foliage. Captivating large brick-red flowers with pale centres

Coreopsis UpTick Gold
Compact perennial. Tidy, mounded habit, plants keep their shape. Easy-to-finish with bigger flowers and longer blooming for more colour all summer long. Very mildew resistant

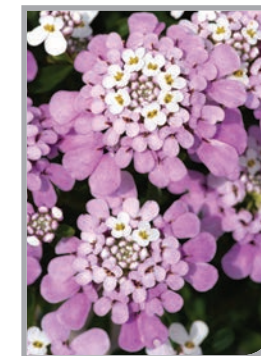

Echinacea Bolero Pink, Rose & Yellow

Eye-catching flowers bring more flower power. Robust, compact plants produce beautifully full, semi-double flowers that create an elegant appearance with exceptional winter hardiness and excellent landscape performance

Echinacea M000DZ® Zen
Highly uniform and naturally branched plant habit. No vernalisation needed. Colourful garden and patio item with a show of single flowers and flat petals in fresh white. Fast flowering and marvellous colour, perfect for retail bench sales

Iberis Summer Vibes
Colourful and long blooming, hardy Iberis sempervirens. Plants grow easily into a tight, well rounded but low growing cushion and will flower from early spring through to summer with an abundance of flowers in sweet lilac shades. Ideally suited for rock gardens, patio plants or borders

Lupin City Mixed

An iconic staple in a compact form. Dwarf and more compact Lupin series than Gallery® and up to 7 days earlier to flower. Robust, very well branched Lupin, which branches readily. A joyous floriferous display in pots, on the patio or in borders

Blue

Blue Bicolour

Pink

Pink Bicolour

Red

Yellow

Penstemon Mountain Treats Red

Big flowers for high-impact colour at retail and in the landscape. Reliable clump forming and sturdy, upright habit. More vigorous than the Polaris series. Better basal branching: deep green slender foliage topped with an abundance of bell-shaped flowers. Suits 2 or 3 litre pots

Lavender

Light Pink

Purple

Rose

Echinacea SunMagic® Vintage Hot Red
Exceptional vigour and flower count. Unique mounded and upright habit with strong natural branching. Long splendour dark green foliage forms a tight mound and above, abundant flower spikes hold radiant red flowers, creating a vibrant display

Gerbera Garvinea® Sweet Pastry
A real treat for the eye with rich and endless pink flowers. Garden Gerbera with unmatched vigour and flower power. High colour impact. Great weather tolerance and highly resistant to pests and diseases

Gaillardia Guapa Cherry Cream
Guapa, meaning "pretty". Strong mounded plant habit with high uniformity. Early and large, showy blooms with flowering for many months. Vibrant and outstanding bicolour. Retains its strong colour. Tolerant to heat and drought

Monarda Superwings Red
Tall, bold perennial with intense red coloured flower. Dark foliage and upright stems showcase vivid red blooms and dark wing-like bracts. Excellent mildew resistance and long-lasting. Both foliage and flowers provide ornamental appeal for the patio or borders

Rudbeckia Rudy Double Rose & Yellow
V-shaped habit and long flowering performer that branches well. Very long lasting and attractive double flowers over healthy leaves. These additional colours extend a great Rudbeckia series of disease free and uniform plants

Scabiosa Atalanta® Blue, Blue Compact, Dark Pink & White
Compact and early flowering Scabiosa series. Very early sales opportunities, blooming from spring through to late summer. Add lasting beauty to gardens with abundant, bigger flowers. Great garden performer for landscape, border or small container use

Bacopa Galactic Mist White

A new standard: The largest white Bacopa you need! Mounded, well branched plants are covered in big, beautiful blooms. Dense controlled spread. Ideal for pack and small pot production. A basket and combination favourite for added value

Geranium Siren Mixed

Siren is the next generation of Pelargonium genetics. Plants produce highly colourful mop head 10-12cm wide flowers. Amazing repeat flowering performance for garden and landscape applications. Ideal for packs and 9-13cm pot production

Cupcake Mixed

Lollipop Mixed

Begonia Majestic Coral Salmon, Pink Lace Picotee & White

Big bold, blousy blooms for large pots. Robust, stocky plants produce an abundance of colour all summer long with superb showy, extra-large (14-20cm) ruffled double flowers. The Majestic series is an exciting collection that can be sold at a premium at retail

Coleus Sunfighter Keylime Fringe & Prismatic

Colossal colour without a flower. Sunfighter are strong branching plants with an excellent garden performance. Stunning in combination planters or planted on their own for high colour impact. Here we introduce two further striking colour additions

Calibrachoa Cabaret® Early Lemon Frost & Purple Kiss

Lights, camera, action! Cabaret® continues to enhance a growing line up. Our newest colourways each impress with a central contrast halo. A great performer for the consumer in both baskets and patio containers giving a bigger display throughout summer

CABARET

MixMasters® Calibrachoa Cabaret® Double Red Cancan & Tropical Twist

3 plants in 1 plug! Striking combinations using a single genus for highly balanced and big colour impact at retail. Attractive to both consumers and retailers

Impatiens Beacon® National Garden Scheme Centenary Mixed

A 10% donation from the sale of these plants, labels and pack handles will be made to support the work of the National Garden Scheme.

For 100 years, the National Garden Scheme has opened thousands of private gardens across England, Wales, Northern Ireland and the Channel Islands, raising funds for nursing and health charities through admissions, teas and cakes.

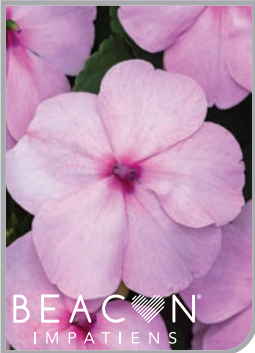

The National Garden Scheme Centenary Mixed is automatically supplied with a branded retail label. Pack handles are also available on request.

Osteospermum Akila® Sunshine Yellow

Compact Osteospermum series of excellent branching and neat habit for pots and great bench-to-garden performance. Terrific uniformity and top-selling colours. Sunshine Yellow is an uplifting colour drop for sunny escapism

Akila®
OSTEOSPERMUM

Impatiens Beacon® Pink
Popular Impatiens series with high resistance to downy mildew. Easy-to-grow and versatile product suitable for packs, pots, hanging baskets and in-ground beds. Fast-filling, season-long colour for gardens and landscapes

Dahlia Dalina® Mini Purple, Red, White & Yellow
Mini Dahlia series. Compact and small flowering Dahlia series with long-lasting bloom. Short production time for quick turnaround, versatile and space efficient. Perfectly suited to small packs and 9-12cm pots

Dahlia Dahlietta® Indy
Well matched series, the most uniform on the market! Ideal for pot and premium pack production.

Dahlia Dalina® Maxi Orange Blast
Extra-large blooms, strong stems and robust plants for big pots. Easy and quick to produce. Ideal for large 2-5 litre pot production. Outstanding garden performance

Dahlia Dalina® Maxi Noir Neon & Peach
A robust, well-branched Dahlia series with great uniformity and a high flower count. Large double blooms display intense colour with a full flower delivering maximum impulse at retail above dark leaved foliage. Strong garden performer with nonstop flowering in patio containers and borders. Neon and Peach only enhance this showstopping series

Petunia Easy Wave® Fairy Tale Mixed

Be bold and creative with two new mixes. Each mix combines handpicked decorator colours, from the well-established Easy Wave® series. Put their versatility to work in planters and baskets, gardens and landscapes for a customer-pleasing performance
