

Its time to order Tuberous Begonias

# Tuberous Begonia

Ball Colegrave®

Tuberous Begonia plugs are being sown now

## It's time to order!

Tuberous Begonia's are the very first Summer bedding plant we sow for plug deliveries in the Spring. We are now currently sowing for deliveries in April.

**So don't miss the boat - book your Tuberous Begonias now to avoid disappointment**

You can then rest in the confidence that your Tuberous Begonia plugs are sown, growing and programmed to be delivered on the week you need them most.

All our high quality Ball 84 Tuberous Begonia plugs are supplied with a high impact, 4" (10cm) colour label to make your pots really stand out well at retail. Your labels will arrive with your plug delivery, so everything is in one place ready for potting!
